

Personalize your wedding day in a spectacular fashion. Your guests will truly be impressed.

Your monogram or names projected on a wall, ceiling, or dance floor!
Customized logos are laser cut from steel for the 750 watt focusing light.

Color Wash

Colors of your choice

We offer elegant decor up-lighting, custom dance floor lighting and complete 1st Dance spotlighting. Wedding lighting can bring out the best colors of the ballroom, your flowers and you

A soft glow, focused light beams or beautiful lanterns for highlights is the quality lighting design that we offer for private parties such as weddings, corporate events, benefits and fund raisers.

Each lighting package is customized to meet your needs and taste. If you can imagine it, DJ Professionals and Video can make it happen. Please call the office nearest you for pricing and to set up a one on one consultation.
