### Professional videos

If you haven't seen a professional video from us then you need to. They always become our clients most valued memory from their wedding. DJ Professionals video department uses broadcast quality digital cameras to provide you with the very best in video and audio. The videographer and editors then bring your story to color and life! We are proud to offer 3 packages with beginning prices at \$999.00. We also rent projectors and plasma's to show your picture montages.
